

# MEMBERS' NIGHT

Wednesday 26th March 2014

After the regular lecture series there will be an opportunity for members to bring their own expertise to the Society in the form of a short talk. Council is looking for members to propose speakers for a Members Night event on Wednesday 26th March 2014. The aim is to have three speakers, each giving a presentation lasting around 15 minutes.

Nominations are invited from members of the Society who feel that that they would be able to produce an interesting and stimulating talk at this event. Nominations should be made using the form below and must be submitted by the end of December 2013. Council will select the three speakers and make the necessary further arrangements.
